

Unitarian Universalist Fellowship of Laguna Beach

Building Rental Information

Our building is located in a lovely North Laguna neighborhood, making it a special place for special events, from weddings and receptions to not-for-profit community classes and meetings.

Fellowship Hall, on the upper level, has hardwood floors, high ceilings and lots of natural light. It features a grand piano, an elevated (carpeted) dais and two lecterns. The audio-visual station is at the back, as is a (closable) pass through window to the kitchen. The Hall comfortably accommodates 80 padded armchairs (mauve color/stackable). With additional chairs, the room can hold up to 100.

Double doors at the front of the building open to a vestibule, the kitchen, and two small side rooms; one is a dedicated family room for parents with little ones. There are books and toys for children; a large window into the hall, and an audio speaker allows parents to see and hear the event. (Restrooms are located off of this room.)

On the lower level is our religious education classroom, accessible by its own exterior doors or by staircase from the upper level. It has its own restroom and can accommodate up to 25 for smaller events.

Our building and restrooms are accessible to all. We have one handicapped parking space in front, and several in back at the lower level. There is ample street parking most of the year.

Please reach us at (949) 497-4568 or office@uulagunabeach.org to arrange a tour, and for fee information, policies, and rental forms. Early reservations are always encouraged.
